### **What is Real Estate CashBack?**

Real Estate Cashback is a Real Estate trading product which allows customers or members invest/buy into real estate development for the purpose of generating passive income. The dividend rate determined by the current offer as contained on the flier.

### **How competent is the team behind Real Estate Cash Back?**

Our team are financial experts and real estate professionals that are driven by the passion to help limit the societal gap between the rich and the poor by creating various investment opportunities for everyone regardless of their social status.

### **What will the funds be used for?**

The funds are invested in developing commercial and residential properties. We also conduct thorough research on locations prone to quick appreciation and buy properties there. With time, we develop these properties, sell-off, and share the profit with you. We invest only in appreciable and tangible assets.

### **Why is real estate cash back different from other investments?**

With the track records of over 4 years and over 5 billion naira payment made to over 5,000 members. We have done so well in keeping all our promises. Real Estate Cash Back is the best real estate investment initiative for anyone who loves their “sleep” and “peace of mind”.
